

2025 REGIONAL ORIENTATION TRAINING

Sponsorship Opportunity

The Alabama League of Municipalities is excited to host four regional orientation trainings for new and veteran municipal officials during October and November. These trainings are hosted every four years following the majority of municipal elections to provide an overview of ALM's mission, services and programs as well as legal, finance and ethics training from League staff and the Alabama Ethics Commission.

For 90 years ALM has helped meet the needs of more than 2,800 elected municipal officials who make daily purchasing decisions for their cities and towns. As a sponsor, you will play a crucial role in supporting our mission to strengthen local leadership. Your partnership will assist us with hosting these strategically crafted events and build community leaders who make Alabama municipalities the best places to live, work and play. Plan to join us at the event dates listed below for networking opportunities with newly elected and re-elected officials.

Sponsorship

Sponsorship includes digital sponsor promotion, a complimentary conference name badge and an invitation to the welcome reception for each event (additional name badges are available for a fee).

The sponsorship fee is \$2,500 for all four events. **The deadline to take advantage of this opportunity is August 1, 2025.**

Please reach out to Cindy Price at cprice@almonline.org with any questions and to register as a sponsor. **Participants will also need to submit their company logo by August 1 to Cindy.**
