  - There is no provision of law for the appointment of poll watchers for non-candidate elections.
- 3) **OATH OF OFFICE** – Each poll watcher shall be sworn to faithfully observe the rule of law prescribed for the conduct of elections (§11-46-35(b)).
- 4) **PRIVILEGES** – Poll watchers have the right to observe and monitor all conduct and records of the election throughout Election Day (§11-46-35(b-d)).
- 5) **LIMITATIONS** – Poll watchers may not disturb voters, attempt to influence voters, campaign, or display or wear any campaign material or buttons while inside the polling place (§11-46-35(b)).
- 6) **PENALTIES** – Any official who refuses to allow any poll watcher to exercise his or her rights as a watcher shall be guilty, upon conviction, of a Class C misdemeanor (§17-17-22).

# WITHDRAWAL OF CANDIDACY

If a candidate properly withdraws his or her candidacy with the Mayor **AFTER** ballots have been printed and prepared:

- 1) If **PAPER** ballots are used in the election:
  - Election officials shall draw a line in ink through the name of the candidate (§11-46-25(j)).
- 2) If **ELECTRONIC** vote tabulators are used in the election:
  - The name of the candidate shall be removed from the ballot in accordance with the manufacturer's guidelines or instructions (§11-46-25(j)).

# **ABSENT POLLING OFFICIALS**

**If precinct officials are absent, the following procedure should take place:**

- 1) If any precinct election official fails to show up at their appointed voting place in time to perform their official duties, those precinct election officials who are present shall appoint from qualified electors (§11-46-29).
- 2) If the Inspector is absent:
  - The other present officials shall choose one among them to serve as Inspector, and
  - The officials shall also appoint an elector qualified at that polling place to complete the requisite number of polling officials (§17-8-6).
- 3) If NONE of the appointed polling officials are present, any three (3) electors who are qualified to vote at that polling place may open the polls and serve as polling officials during the absence of the appointed polling officials (§11-46-29).

**Oath of Office for polling officials (located on the back of the Voters Poll List):**

Before entering upon their duties, precinct election officials must take an oath to perform their duties at the election, according to law (§11-46-28(c)). The oath may be administered by any person authorized by law to administer oaths or by any inspector (§11-46-28(c)).

# PHOTOGRAPHY IN THE POLLING PLACE

The use of mobile phones or cameras should not disturb any voters or disrupt the polling place in any way.

Voters are not allowed to take general photographs, such as photos of the room where the voting takes place, as it may intimidate the other voters.

The right to vote a secret ballot is essential. Photographing or otherwise revealing the contents of another voter's ballot is not permissible and is a Class A misdemeanor.

However, a voter may take a photograph of and/or with his or her own ballot without violating any existing law (§17-9-50.1).

# STUDENT POLL WORKER INTERNS

The Probate Judge in each county may appoint no more than two (2) students for each precinct to serve as unpaid student poll worker interns during elections. Probate Judges are the only authority in the county who may appoint student poll worker interns in state, county, or municipal elections. City Clerks are encouraged to work with their Probate Judge to select and train these student interns.

## 1) **QUALIFICATIONS:**

- Be recommended by a principal or other school official or by the individual responsible for the student's home instruction program.
- Be at least 16 years of age at the time of the election.
- Be a resident of the county or municipality for which the appointment is made.
- Be enrolled in a public high school, an accredited private high school, a home instruction program, or be enrolled in a two-year or four-year institution of higher learning.

## 2) **DUTIES:**

- Shall be determined by the officials in charge of the election. However, the duties may not include either of the following:
  - Determining the qualifications of a voter in the event a voter is challenged.
  - The operation and maintenance of any voting equipment.
- Shall attend all required training for poll workers and any additional training considered necessary before performing any duties.

A student poll worker intern who works four (4) or more hours on a school day on Election Day or any day of training shall be entitled to an excused absence from school (§17-8-14).

# TIME ALLOWED TO VOTE

**VOTING TIME ALLOWANCE** – Poll workers should make every effort to give each voter adequate time to vote. Only if others are waiting in line to vote may poll workers use the following procedures to prevent long delays:

- 1) Any voter remaining in a voting station for four (4) minutes or longer may be asked by a poll official if he or she requires assistance (§17-9-13(b)).
- 2) Remind the voter that he or she has the right to have the assistance of anyone who is in the polling place, including another voter or poll worker (§17-9-13(b)). Exception: *The voter's employer, an agent of the employer, or an officer or agent of the voter's union may not assist the voter (§17-9-13(a)).*
- 3) **If the voter does not desire assistance:**
  - The voter shall be permitted to remain in the voting station for **no less than one additional minute** (§17-9-13(b)).
  - At the end of this additional minute, and if there exists a line of individuals waiting to vote, the voter may be informed that time is up and be asked to leave. If there is no line, the voter shall have as much time as necessary to finish voting (§17-9-13(b)).
- 4) **If the voter requests assistance:**
  - The voter may have the assistance of any person of his or her choosing currently in the voting place, (except for the voter's employer, an agent of the employer, or an officer or agent of the voter's union) and may have no less than an additional five (5) minutes to vote (§17-9-13(b)). The voter must specifically request assistance by naming the person from whom assistance is sought (§17-9-13(a)).
  - At the end of this additional five (5) minutes, and if a line of individuals is waiting to vote, the voter may be informed that time is up and be asked to leave the voting station. If there is no line, the voter shall have as much time as necessary to finish voting (§17-9-13(b)).
  - Before an assigned voter exits the voting place, the voters poll list must be revised to reflect that assistance was received (§17-9-13(b)). The voter must sign in the appropriate column of the voters list, and the assistant must sign in the adjacent column on the same line as the assisted voter's name (§17-9-13(a)).

# ELECTIONEERING ♦ LOITERING ♦ DISTURBANCES

## 1) ELECTIONEERING

- Election officials must run the polling place in a strictly impartial manner. Election officials must not attempt to influence voters (§11-46-68(c)).
- Election officials may not disclose how any elector voted (§§11-46-68(h)).
- **SAMPLE BALLOTS** – Voters may carry prepared sample ballots into the polling place for use in the voting booth or voting area, but cannot leave a sample ballot in the voting booth or voting area. This is not electioneering, as long as the voter does not attempt to influence other voters within the polling place.

## 2) LOITERING

- Loitering is not allowed around the polling place for purposes of discouraging qualified electors from entering the polling place or from voting (§17-17-17).
- A person is not allowed to stand in line after they vote (§17-17-17).
- A person is not permitted within 30 feet of the door of the polling place if they are not a voter admitted to vote, a person assisting the voter, the Probate Judge, the Marshal, Chief of Police, or other law enforcement officer of the city or town, the polling official, or a poll watcher (§11-46-28(i)). If the city or town does not have a police department, call the County Sheriff for assistance.

## 3) DISTURBANCES

- Intoxication or disorderly conduct is not permitted in the polling place (§§11-46-61(b), 11-46-65, 17-17-33).

In the case of **ELECTIONEERING, LOITERING, or DISTURBANCES**, ask the person to stop or leave the polling place. If the person refuses to leave, call the Marshal, Chief of Police, or other law enforcement officer of the city or town (§11-46-28(i)). If the city or town does not have a police department, call the County Sheriff for assistance.

# ELECTION SECURITY

Election Day ballots will be received and packaged by precinct. The Chief Inspector should confirm he or she has received the correct ballots, the correct number of boxes, and that all boxes are securely packaged. The overall shipment of ballots will arrive at the municipality sealed, with instructions for the receiving authority to advise the vendor if the shipment seal has been broken.

Absentee ballots and associated supplies will be received by the Absentee Election Manager in sealed boxes. The receiving authority should advise the vendor if there are any signs of tampering or broken seals.

Ballots shall be secured behind locked doors at all times except when in use on Election Day. However, absentee ballots can be accessed by the Absentee Election Manager once they are made available.

Voting machines, including electronic poll books, shall be secured behind locked doors at all times except when in use on Election Day.

All voting equipment shall be stored in a climate-controlled environment at all times.

Electronic media, either memory cards or USB sticks, must be kept secured at all times.

After media is installed in the appropriate voting machine and all testing has been completed, the machine must be sealed with a numbered seal and the seal number recorded. The Chief Inspector should receive this information as part of his or her Election Day materials and check to ensure the seal, with the correct number, is in place and secure.

If it appears someone is tampering with or misusing voting equipment on Election Day, inform the Chief Inspector immediately.

# VOTING ASSISTANCE ♦ SPOILED BALLOTS

## 1) VOTING ASSISTANCE

- **RIGHT** - Any voter who requests voting assistance may receive help from any person the voter chooses *except the voter's employer, an agent of the employer, or an officer or agent of the voter's union*. **THE VOTER MUST STATE THE REASON FOR REQUESTING ASSISTANCE** (§11-46-51(a)).
- **PROCEDURE** - To obtain assistance, the voter must specifically request assistance by naming the person from whom assistance is sought and by signing in the appropriate column of the voters' poll list. The assistant shall legibly sign in the adjacent column on the same line as the assisted voter's name. By signing the poll list, the assistant shall certify that he or she is *not the voter's employer, an agent of the employer, or an officer or agent of the voter's union*. If the voter is unable to sign the poll list, the assistant shall write the voter's name in the appropriate column and then sign his or her own name in the adjacent column (§17-9-13(a)).
- **DISABLED VOTERS and SENIOR CITIZENS** - The voting process must be accessible to persons with disabilities (§17-2-4(c)) and senior citizens. Polling officials shall make available voting aids, and poll workers shall extend courtesy and consideration to persons with disabilities and senior citizens and offer assistance when requested. A polling official may allow a voter who is physically disabled or over the age of 70 to move to the front of the line at a polling place upon request of the voter. (§17-9-13(e)).

## 2) SPOILED BALLOTS

- If a voter accidentally or mistakenly spoils the ballot and he or she cannot conveniently or safely vote using the ballot, the voter may return the ballot to the Inspector, and the voter will be given another ballot (§11-46-39(c)).
- Spoiled ballots shall be placed in the envelope provided for spoiled ballots (§17-9-14(b)).

## INACTIVE VOTER ♦ UPDATING

A voter may be placed on the **INACTIVE VOTER LIST** if the Board of Registrars is unable to confirm the voter's address through the NVRA-compliant voter file maintenance process (§17-4-30(b))

Voters on the **INACTIVE VOTER LIST** are indicated on the poll list by the letter "I" next to their names. However, in some municipalities, inactive voters may be listed on a separate poll list. Your City Clerk will provide instruction regarding how inactive voters are indicated on your municipality's poll list.

**Inactive status:** Once on the inactive list, the voter can be restored to "active" status by updating his or her address information with the local Board of Registrars (§17-4-9) or by updating and voting on Election Day (§17-4-30(c)).

**NOTE: A voter on the inactive list may vote a regular or provisional ballot after the voter completes a Voter Reidentification "Update" Form (§17-4-9). Please follow these steps for an inactive voter at the poll:**

Once you determine a voter is inactive, a poll worker should:

- 1) Inform the voter that he or she is on the inactive list because the Board of Registrars needs to obtain current address information from him or her.
- 2) Provide the voter with the **Voter Reidentification "Update" Form (NVRA-20)** included with the supplies for the polling place, and instruct the voter to fill out the form completely.
- 3) If a change in address does not change the voter's polling place, allow the voter to vote a regular ballot following the standard voting procedures after completely filling out the **Voter Reidentification "Update" Form (NVRA-20)** and returning it to the poll worker.
- 4) If a change in address is within the same municipality and changes the voter's polling place, direct the voter to the new polling place. Inform the voter that he or she will be required to vote a provisional ballot at the new polling place, *Davis v. Bennett*, 154 So.3d 114 (ALA. 2014), but once the properly completed PB-3 form and the **Voter Reidentification "Update" Form (NVRA-20)** are received by the Board of Registrars, the vote should be counted.
- 5) If a change in address is outside the municipality, the person is not eligible to vote.
- 6) After the closing of the polls, collect all of the completed **Voter Reidentification "Update" Forms (NVRA-20)** and place them in the envelope addressed to the Board of Registrars.

# CHECKING IN VOTERS

## When a voter shows up to vote on Election Day:

- 1) **Ask the voter for his or her name.**
- 2) **Look on your list of registered voters to see if his or her name is on the list.**
- 3) **If the voter's name is on your list, follow normal voting procedures as follows:**
  - Check voter identification.
  - Highlight voter's name on the poll list.
  - Print name on the clerk's list beside corresponding number on voter's list.
- 4) **If his or her name is marked as "inactive":**
  - Ask the voter to fill out a "**Voter Reidentification Update Form**" before letting him or her vote (§17-4-9). Review form to ensure it is complete.
  - Instruct the person to check the "update" box on the form.
  - If there is a **change in the inactive voter's address** and the voter now lives in a new precinct in the same municipality, ask the voter to go to the new polling place, contact the City Clerk to gather more information regarding the new polling place. The voter must cast their vote by provisional ballot at the new polling place.
  - If there is a **change in the inactive voter's address** and the voter lives in the same precinct in the same municipality, the voter may cast a regular ballot upon completing the "**Voter Reidentification Update Form.**"
- 5) **If you cannot find the person's name on your registered voters list:**
  - Take the voter to the provisional ballot officer, and
  - Inform the voter that because his or her name is not on the list of registered voters, he or she will receive help from the provisional ballot officer.
- 6) **If his or her name is marked off because he or she applied for an absentee ballot (§§17-10-2(a)(5), 17-11-5(c)):**
  - Take the voter to the provisional ballot officer, and
  - Tell the provisional ballot officer that the voter is marked off for having applied for an absentee ballot.
- 7) **If the person does not provide the necessary photo identification (§§17-10-1(c), 17-10-2(a)(3)):**
  - Take the voter to the provisional ballot officer, and
  - Inform the provisional ballot officer that the voter did not provide photo identification.
- 8) **If an Inspector challenges the person's right to vote in the precinct (§17-10-2(a)(2)):**
  - The Inspector will take the voter to the provisional ballot officer, and
  - The Inspector will fill out the inspector challenge statement.

Provisions for voters who fail to bring a proper form of photo ID to the polls:

If a voter cannot be positively identified by two (2) election officials, the voter can cast a provisional ballot. The voter should be directed to the precinct's provisional ballot officer for ballot processing. In order for the provisional ballot to be counted, the voter is required to present a proper form of photo identification to the Board of Registrars no later than 5:00 p.m. on the Friday following Election Day (§§17-10-1(c), 17-10-2(a)(3)).
